SUMMARY

I am a passionate and self-motivated 21-year-old Computer Engineering student with a keen interest in software development, emerging technologies, and problem-solving. I have a proven ability to work both independently and in collaborative environments. I aim to grow my career in a dynamic organization where I can apply my skills, energy, and commitment to achieving its goals while continuing to develop professionally.

EDUCATION

SEE
Shree Amarsingh Model Secondary School / Pokhara, Nepal / April, 2012 - June, 2019

National Examination Board (Grade XI & XII)
Shree Amarsingh Model Secondary School / Pokhara, Nepal / July, 2019 - June, 2021

Bachelors of Computer Engineering
Gandaki College of Engineering and Science / Pokhara, Nepal / March, 2021 - Present
